

SONG: "Party in the U.S.A."

OM- 1st.m4a

Yeah, it's subjuntivo
Used for doubt and emotion
Cuando something's uncertain
Or there's no confirmation

Quiero que estudies
Espero que vengas
Dudo que comprenda
Y ojalá aprendas

No creo que sea fácil
Pero vamos a intentar
Es posible que aprendan
Si empiezan a practicar

Es importante que practiques
Antes del examen
Me alegra que estés aquí
Y que todos lo capten

Cuando hay recomendaciones
Or feelings that you show
That's when subjuntivo
Is the verb mood that you know

Whoa-oh-oh
Whoa-oh-oh
Yeah, yeah, yeah
Subjuntivo please

KANAV

Start with the "yo" form
Present indicative
Drop the "o" right now
Now make subjunctive

AR changes into "e"
Like hable y estudie
ER and IR switch to "a"
Coma and viva every day

Hablo turns to hable
Comer changes coma
Vivir changes viva
Ahora ya funciona

No facts or certainty
That's the biggest clue
If there's hope or emotion
Subjuntivo comes through

Antes de que llegues
Para que pueda estudiar
Usamos subjuntivo
Cuando no hay realidad

Whoa-oh-oh
Whoa-oh-oh
Now we know the way
Subjuntivo every day

PRAHAAS
Now the irregulars
Yeah DISHES is the key
Dar becomes dé
And ser changes sea

Ir becomes vaya
Haber changes haya
Estar turns esté
Saber changes sepa

These verbs are irregular
But easy if you practice
Learn the conjugations
And your Spanish will be fantastic

No creo que sea difícil

If you study every day
Ojalá que recuerden
Everything we say

Emotion, doubt, and wishes
Recommendations too
That's exactly why
We use subjuntivo

Whoa-oh-oh
Whoa-oh-oh
Yeah, yeah, yeah
Subjuntivo now

OM-  Last Part.m4a
So we put our verbs up
Now we know the rules today
Using subjuntivo
In the proper way

Emotion and doubt
Recommendations too
When something's uncertain
Subjuntivo comes through

Whoa-oh-oh
Whoa-oh-oh
Yeah, yeah, yeah
Now we understand

Whoa-oh-oh
Whoa-oh-oh
Subjuntivo now
Yeah we got the plan
